Welcome to Copenhagen

Copenhagen is a wonderful place to be, offering something for everybody. Here you will find a great mixture of world-class gastronomy, fascinating architecture, award-winning design, the unique, free town of Christiania, clean harbour baths and the world's oldest monarchy. Even though it's a major city, it is compact in size, cherished and ranked for several times as one of the best cities to live in. Surrounded by historic buildings, narrow curving and bike-friendly streets, it is easy to feel right at home in the Danish capital.

Copenhagen / Bus 4 hours

Start : 13:00, Copenhagen Airport Kastrup

End : 17:00, Hotel Danmark

During our guided tour through Copenhagen we will pass some the most important sights of the city such as Nyhavn and Amalienborg. If interested, we can also add some architectural points to the program, such as Bispebjerg Bakke and Grundvig Church (if open on that day).

Copenhagen / Restaurant Tårnet 3 Courses Dinner with glass of wine or beer

Situated in the tower of Christiansborg, Tårnet is run by the recognised restaurateur Rasmus Bo Bojesen. The restaurant celebrates and reinvents Danish food traditions by offering lunch and dinner. Here you will experience modern Danish dishes with all the flavours the country has to offer. Served in a cosy atmosphere, the restaurant overlooks the royal riding yard. The observation tower is just above the restaurant, which means that you can walk up the stairs look over Copenhagen before or after your meal.

Before visiting UN City, we take a bit of a detour to shortly stop by Kalvebod Brygge which is close to our hotel, including stops at the Crystal and the Black Diamond.

Copenhagen / Visit to UN City (incl. guided tour)

UN City comprises two campuses which bring together the various agencies and functions of the United Nations offices in Copenhagen. The new main office building, which was completed in 2013, is located at the northern harbour of Copenhagen and houses 11 UN organisations with 1500 staff members representing more than 100 nationalities. From above, the eight-pointed star shape is a clear visual reference point, which, like the UN, reaches out to all concern of the world. We will join a guided tour of UN City for 1 hours which is offered as a free service by the organisation (free of charge).

Start: 10:00

End: 11:00

2 Courses Lunch with glass of wine or beer and coffee/tea (place to be announced)

Copenhagen / Entrance to Tietgenkollegiet (incl. guided tour)

Tietgenkollegiet has become an international reference in terms of architecture and the future of student housing, winning several awards and gaining attention from all corners of the world. The circular structure that supports and develops community living in combination with the individual was created by Lundgaard & Tranberg and distinguishes itself not only through its characteristic shape and construction, but also because of the choice of materials and the decoration. We will join a guided tour with one of the residents of the college who will show us around the outside and inside (common areas, a kitchen and a room) of the building.

Start: 13:00

End: 14:00

After our guided tour at Tietgenkollegiet, we will explore the surrounding area by making stops at Mountain Dwellings, VM Houses and 8-Tallet. Please note that we reserve the right to make changes to the itinerary depending on the re-confirmed times of UN City and Tietgenkollegiet.

Hillerød / Entrance to Frederiksborg Castle (incl. guided tour performed by tourleader)

Frederiksborg castle is situated in Hillerød, north of Copenhagen. The palace is built on three small islands and surrounded by a beautiful baroque garden. The castle was built in the early 17th century as royal residence for King Christian 4. Today the palace is also home of the Museum of National History with its remarkable collection of portraits and historical paintings.

Humblebæk / 2 Courses Lunch with glass of wine or beer and coffee/tea, Louisiana Café (or similar)

Humblebæk / Entrance to Louisiana Museum of Modern Art

This museum, located on the shore of Öresund Sound, is the most visited art museum in entire Denmark. This thanks to its extensive permanent collection of modern and contemporary art, which dates from the Second World War until nowadays. In addition, it has a comprehensive programme of special exhibitions. The museum in its current form was completed in 1991. It has been acknowledged as a milestone in modern Danish architecture, and is noted for its synthesis of art, architecture, gardening and landscape.

On our drive back to the city, we will take the more interesting and slow road along the coast, passing for instance Tuborg Strand and Arne Jacobsen's Bella Vista Estate in Klampenborg.

Copenhagen / Bus transfer City (OPTIONAL)

Copenhagen / Opera Tickets to The Barber of Seville (OPTIONAL)

For those of you who will join for the opera in the evening, a visit to the Copenhagen Opera House will be a little extra to the tour. This unique building designed by Danish architect Henning Larsen with commissioned artworks by Danish artists such as Per Arnoldi and Per Kirkeby was completed in 2004 and is counted among the most modern opera houses in the world. All levels of the marble-clad foyer offer sweeping views of Renaissance Copenhagen and the city harbour. Martin Lyngbo's interpretation of 'The Barber of Seville' is considered to be an event for opera-beginners and well-travelled opera experts alike. The Golden Age of the silent movie in the 1910s and 1920s is the main inspiration for prizewinning theatre director Lyngbo's debut as an opera director. 'The Barber of Seville' is performed in Italian with Danish surtitles.

Before going to the Blue Planet, we will make a stop at Amager Strand to visit Kastrup Sea Baths. Situated off-shore in the Öresund Sound, this architectural pearl is a truly magical place that offers good swimming opportunities with protection against the wind and great views of the Saltholm Island and Sweden.

Copenhagen / Entrance at National Aquarium Denmark (The Blue Planet) (incl. guided tour)

Den Blå Planet (National Aquarium Denmark) is Northern Europe's largest aquarium and offers a unique experience for its visitors. Opened in 2013, the building's architecture was inspired by a whirlpool, with five 'arms' that outgo from the centre of the aquarium. Here you can marvel at 53 aquariums and installations including the Ocean Tank (the museum's biggest aquarium), the Coral Reef and Amazonas. Since our local tourleader is not allowed to guide here, we will follow a technical guided tour of the museum's staff (English language only).

Start : 10:00

End : 11:15

Copenhagen / 2 Courses Lunch with glass of wine or beer and coffee/tea, Eatery ØST (or similar)

Copenhagen / Öresund Bridge (round-trip)

The Öresund Bridge is a double-track railway and motorway bridge across the Öresund strait between Sweden and Denmark. The bridge runs nearly 8 kilometres from the Swedish coast to the artificial island of Peberholm, which lies in the middle of the strait. The crossing of the strait is completed by a 4 kilometres underwater tunnel, called the Drogden Tunnel, from Peberholm to the Danish island of Amager.

Welcome to Malmö

Malmö has a beautiful historic town centre where you can drink a coffee in one of the many restaurants or cafés on the three squares, Lilla torg, Stortorget and Gustav Adolf's square or take a stroll through the king's park and visit the Malmö Castle. Malmö's most remarkable land

mark is the Turning Torso which is neo-futurist residential skyscraper. It is Scandinavia's tallest building, and can as such already be seen from far away.

Copenhagen / Entrance to Turning Torso (incl. guided tour)

The Turning Torso in Malmö is a neo-futuristic residential skyscraper and Scandinavia's tallest building. Located on the Swedish side of the Öresund strait, the tower was designed by Spanish architect Santiago Calatrava and opened in 2005. With its 54 storeys, the building reaches a total height of 190 metres. Based on the sculpture of the architect of a twisting human being, the tower is considered the first "twisting" tower in the world. During a one-hour guided tour, we will either visit the 53rd or 54th level of the building and learn more about the tower itself.

Start : 14:00

End : 15:00

Latest departure from Malmö at 17:30 for flight AY960 to Helsinki at 20:20.
