ARE YOU TIRED OF THE USUAL WAY OF DOING THINGS? BAD COMMUNICATION, LACK OF TIME, UNCERTAIN SCHEDULES AND LOTS OF STRESS. WE KNOW THAT A CHANGE IS NEEDED BUT HOW TO DO IT?

Lean In Public Sector (LIPS) and Lean Construction Congress Finland come together for a three-day event covering the latest insights on different themes of lean that guide us to better results! Join the compelling workshops on Monday and get inspired from world-class presentations on Tuesday and Wednesday!

To ensure safety of our attendees and presenters during COVID-19, the event is arranged virtually. So you will be able to enjoy the whole experience from your home – Meet like-minded people all over the world, gain new ideas and save time, money and nature!
